

REIMAGINE RUNNEMEDE

REVITALIZING OUR COMMUNITY THROUGH THE ARTS

You are cordially invited to become a part of our town's history

Celebrate with our residents that Runnemedede is a caring town that values each person as an asset to make the world better. The Labyrinth is a community project of Reimagine Runnemedede, a 501 C-3 non-profit dedicated to change the way we think about our town. We request that you participate in our 2020-21 Fund Raising Drive for the purpose of completing our Peace Park Labyrinth for our residents and visitors, which is located in our Beaver Brook Park near the basketball courts, as follows:
